

OLIVER'S CAMP

TARANGIRE

LITTLE OLIVER'S CAMP

TARANGIRE

Set in the remote southern reaches of Tarangire National Park and within easy reach of the Silale swamps, Oliver's Camp is an echo of the early days of East African safaris. Alongside Oliver's ten ensuite tents, Little Oliver's offers a more intimate safari with just five exclusive tents. Both camps are perfect for those searching for genuine experiences in the unique, baobab-filled landscape.
