Hot-air balloon safaris are offered every morning. Guests are collected at their hotel and taken through the park to rendezvous with the balloon crew. The flight is approximately an hour's duration, and on landing, sparkling wine and orange juice is served.

A leisurely game drive is then taken through the park to a game lodge where breakfast is served, after which guests are returned to their hotel. Flights are early in the morning and you will need to allow for approximately 5 hours for the full experience.

DURATION: 5 hours

*Please note: Booking is essential and a minimum number of guests are required to conduct a flight. Due to safety precautions, no adult or child is permitted should they be at a height of less than 1.2 metres. The flight is weather dependent.
