

# The Ultimate Northern Kruger Experience 2018

The **SAFARI INDEX**  
Africa

## ITINERARY

### Day 1-3

The Pafuri Walking Trail takes place in the Pafuri region of the northern Kruger National Park, the most biodiverse area of the park. The 2- 5 night trails are led by a professional trails guide and accommodation is provided at the Pafuri Trails Camp, a rustic, authentic bush camp. Nothing compares with the thrill of encountering wild game on foot. The region is home to a plethora of wildlife species, including the Big 5, as well as over 350 bird species. Guests will also have the opportunity to explore the region's fever tree forests, and marvel at the view from the magnificent Lanner Gorge.

### Day 4

After your Pafuri Walking Trail end you will spend a night in the luxurious Outpost Lodge which lies in the Makuleke Contractual Park, a vast and remote wilderness in the far northern Kruger NP. It is bordered to the north by the Limpopo River and Zimbabwe, and is well-known for its abundant wildlife. The modern bar, lounge and dining areas lead off to the swimming pool deck. The rooms are decorated in a contemporary African style, with en-suite bathrooms sporting great views of the river. Each room has an outdoor terrace and daybed, and an indoor lounge and bedroom.

### Day 5-6

Next up is Bateleur Bushveld Camp. This delightful camp is situated on the banks of the Mashokwe Spruit. It is in the beautiful northern Mopane/Woodland savannah of the Kruger National Park. Named after the majestic eagle, Bateleur, the oldest and the smallest of the bushveld camps, offers a unique atmosphere and superb game viewing. One of the many features Bateleur offers is a game-viewing hide that overlooks a waterhole just outside the camp. Two dams, Silweris and Rooibosrand, are within close range of the camp and are restricted to the residents of Bateleur.

### Day 6-7

On your final night you will enjoy a night in Shipandani Sleepover Hide. Sleeping over in a hide is a fantastic opportunity to have the birds and animals, especially the nocturnal ones, right on your doorstep. Shipandani is 3km south of Mopani Rest Camp (from where it is managed) and overlooks the Tsendze River.
