**Khwai Community Area - Adjacent to Moremi Game Reserve**

Khwai Tented Camp located on a semi-permanent site within this community-run concession on the eastern border of the Moremi Game reserve, on the banks of a lagoon flowing into the Khwai river, acts as a boundary between the reserve and the community area, offering visitors staying here several unique ways to experience Africa.

Besides the day-time drives which can feature Africa's big attractions – lion, cheetah, leopard, wild dog, elephant, buffalo, hippo and giraffe – guests at Khwai Tented Camp are able to explore nature after sunset with a night drive. This activity, along with the guided walking safaris, is not usually permitted in the National Parks or Game reserves, and allows guests to get an up close and personal experience with some of Africa's nocturnal and / or more elusive animals. The camp also provides the opportunity to explore the great stands of leadwood and mopane woodlands as well as open grasslands and banks of the Khwai river on foot.

You will enjoy spacious meru style tents elegantly set-up on wooden decking overlooking the tranquil waters of the lagoon. Accommodation includes en-suite bathroom facilities with flush toilets and al-fresco bucket showers. Enjoy your afternoons and evenings in the main dining and lounge area, where the furniture provides an aura of both colonial and traditional era's. Simple yet elegant, the New Khwai Tented Camp provides guests with an authentic and exclusive safari experience.

Preserving the romance of yester-year, a simpler life in harmony with nature, Khwai Tented Camp will leave you longing to return to Africa. There are no permanent structures; everything can be removed to leave the wilderness exactly as we found it, minimizing our impact on the environment.
